

Certificate of Analysis

Diatomaceous Earth

Part #'s: DE1, DE2

Lot Number: AC1B22

Expiration: n/a

<u>Test</u>	<u>Test Result</u>
Moisture	≤ 0.16% *
Ash	≥ 99.9% **

* Moisture was determined by drying at 100°-105° C for 3 hours

** Ash was determined by by placing in furnace at 600° C for 2 hours

Product Information

Contents: Amorphous diatomaceous earth and crystalline silica in various amounts

Storage: Store at room temperature in closed container

Country of Origin: United States of America
